

# A Watershed Approach to Forests & Technology

*Alder Creek Children's Forest*  
June 14th, 2010  
8:30am-4:30pm

Attention 3<sup>rd</sup> ~12<sup>th</sup> grade educators~

- Discover possibilities of online technologies to enhance watershed focused learning experiences.
- Participate in useable, exciting Project WILD activities as we trek through the forest to discover how these resources easily integrate and support your existing curriculum.
- Explore tools & techniques to bridge inside learning with outside learning.
- Participating educators will receive 8 PDU's, Project WILD Activity Guide, classroom resources and substitute reimbursement if needed.
- ACCF's website: <http://www.aldercreek.org>.
- This workshop is free to all Oregon educators, pre-registration is required.
- Limited to 15 participants: **To Register:** visit Oregon Natural Resources Education Program website: <http://www.cof.orst.edu/cof/extended/onrep/> or call (800)554-6987.
